

How we care in the time of COVID-19

1

While navigating through the coronavirus pandemic, our nursing team has been proactive in caring for our residents.

2

Families have been able to communicate using FaceTime, visits outside, and phone calls.

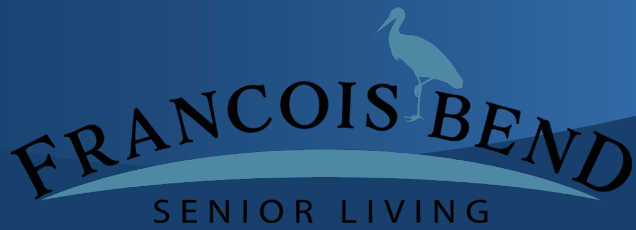

3

Residents are able to continue crafts and other activities through individually packaged kits and socially distanced activities.

4

Our staff is constantly coming up with creative ways of providing entertainment and exercise for all of our residents.

Residents Communique

August 11, 2020

To: Residents and Families

From: Rick

Window Visiting: Window visiting is allowed as long as the following is done:

- There must be a screen on the window;
- Visitors must wear a mask and stay at least 6 feet away from the window;
- The visit is allowed for 30 minutes only.

Fire Alarm Testing: All resident apartments will have their fire alarm tested in their apartment beginning Wednesday, August 12, 2020 beginning at 9am. If you have an issue with this occurring let me know.
